

★ insert uncomfortable knowing joke about closets here

Maaaaaate

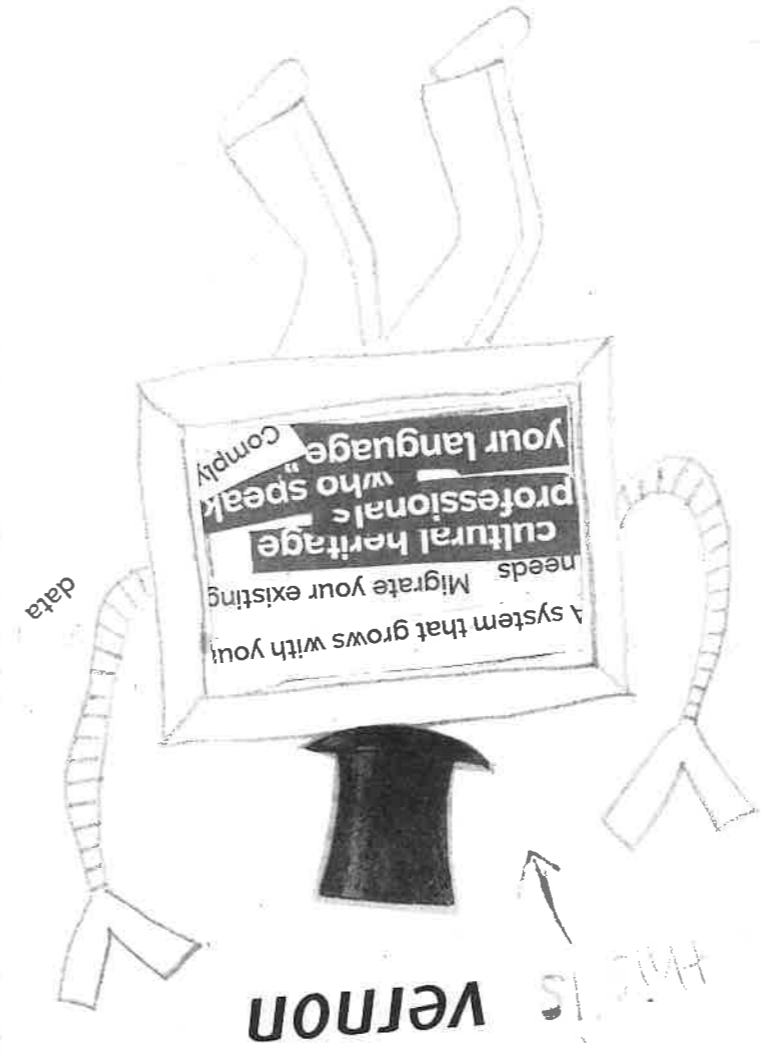

do you ever feel like Hart's too much white space?

"It's the real item that adds to the authenticity and experience of the place."

★ Ernest and Hannah's great-granddaughter Anne Hayes donated the black bonnet-style hat, which sports a black ostrich feather and white fabric roses. She says it was better kept at the homestead rather than being hidden away in a box in a wardrobe.

Vernon includes:

"Vernon Systems' products are used worldwide to manage everything from art to archives, social history to natural history."

### Everyone knows this hat

- ✓ in the first television beer commercial in Aotearoa New Zealand
- ✓ also on posters billboards merch and the page before this one
- ✓ sold in the University of Otago campus shop in the 1990s
- ✓ greets you on horseback at Dunedin airport
- ✓ features in Te Ara encyclopedia
- ✓ not sure if Vernon knows because Jessica in Ōtūrehua says you need 1) access and 2) training to ask ~~them~~ and I don't have 1) access or 2) training
- ✓ dress like a Southern Man
- ✓ maaaaate

really popular standard installed this list written in a font designed by a self-confessed abuser which is ewww and also sometimes its easy not to notice things because of their cultural ubiquity. see also: whiteness

this list written in Fjord font by Victoria Grabowska

- ✓ problematic origins (husband, salvation army shop) (Lock & Co London, rabbit felt)(long story)(stories)
- ✓ worn on stage on three continents
- ✓ been on the internet sometimes (forever?)
- ✓ is it a fedora or is it a trilby?
- ✓ small hole where tag was removed
- ✓ mine

Nobody knows this hat

i'm Liz and Hil wrote this on Māori land. As a Pakehā. It's important <sup>for me</sup> to state this and also to work towards decolonisation in actions in words in place.
